Talkin' Trash

I didn't want to get involved. I already had enough on my plate. Grandson to raise...Businesses to run...Lawn to mow...Motorcycle to ride. I had plenty to do already. I didn't have the time, nor the inclination, to mess with those bald-headed kids stricken by childhood cancer. Mostly, I think I believed, "If I ignore childhood cancer it won't happen to those I love and care about. It will only happen to someone else's kid."

All of that changed the day Doug Simmons walked into my office and asked me if I would help him do something to honor the memory of his grandson Ryder Jack Herring. You see, Ryder had recently lost his battle against this horrible affliction. Cheryl met Shirley (Ryder's grandmother) and Elly (Ryder's mom) and the next thing I know I am dragged kicking and screaming into the midst of many families with children suffering from cancer!

I am TERRIFIED to get to know these children. There are too many variables - something might happen to one of them. Can my grandkids get cancer from associating with them? I tell Cheryl, "You can't save the world!!! You can't help everyone that comes to our door seeking help! I don't want to get involved with this childhood cancer thing!" Cheryl said, "We don't have to help everybody, but we ARE going to help these kids."

Guess what? I am involved. First it was Cheryl's Birthday Bash/Ryder's Army Toy Run. Next it was having the families over for our Independence Day

Celebration, and after that a Back-to-School Sleepover with my grandkids. I soon learned the kids aren't contagious. My grandkids didn't catch anything. But do you want to know what DID happen?! I fell in love with these sick little children with their indomitable spirits. And their families became my family...just like you folks, My Biker Family.

We CAN make a difference. Even if it is in just one child's life. I know I am preaching to the choir because our biker community supports more charitable causes than any other faction of our society. September is Childhood Cancer Awareness Month. Please, if only for a moment, remember these little ones.

God Bless, and watch out for the cages. See you in the wind....

The Janitor

BANDANAS FOR BELLA

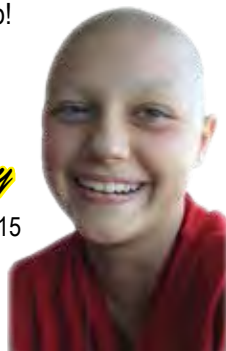

Most of us who ride motorsickles have collected a multitude of bandanas throughout they years. In honor of Bella Leddy we are collecting bandanas, laundering them, and donating them to the kids with cancer.

If you have any bandanas you would like to donate we would greatly appreciate them. You may drop them by our Vaping Kicks Ash stores located at 11215 N Garnett Rd in Owasso or 224 N Hwy 11 in Sperry. You can also give them to Cheryl or I when you see us.

Thanks for your help!

Bella Leddy

OKLAHOMA CONFEDERATION OF CLUBS BOARD MEMBERS

OKLAHOMA BIKER is the largest and fastest growing motorcycle lifestyle marketing company in Oklahoma that illustrates Oklahoma motorcycle runs, motorcycle rallies, and motorcycle events through videos, pictures and written observations.

OKLAHOMA BIKER spotlights motorcycle runs, motorcycle rallies, motorcycle events, and biker friendly businesses — but mostly Oklahoma bikers.

OKLAHOMA BIKER began as a magazine in 2004 to realistically portray the biker lifestyle to the citizenry of Oklahoma. Our mission is “to communicate what it means to be an Oklahoma biker and to illustrate the brotherhood existing between Oklahoma bikers.”

Today OKLAHOMA BIKER is the foremost provider of entertainment news and information to the Oklahoma biker community. This is accomplished through video productions, magazine publications, event promotions, websites, social media, and specialty printing.

OKLAHOMA BIKER is the place to look for biker friendly businesses, stories, events, and merchandise pertaining to Oklahoma bikers and Arkansas bikers.

OKLAHOMA BIKER also specializes in providing digital marketing and print solutions to businesses seeking bikers and motorcycle enthusiasts as customers.

Bikes, Blues & BBQ 16th Annual Rally

The Ozark Mountains will soon be rumbling with the roar of motorcycles. Fayetteville, Arkansas will be hosting the 16th Annual Bikes, Blues & BBQ Rally from September 23-26. The first rally 16 years ago welcomed just over 300 riders. Last year, an estimated 400,000 people attended the rally from all 50 states and many other countries.

The concept of hosting a rally began when former Fayetteville Police Chief, Richard Watson, purchased his first motorcycle and began attending rallies across the country. Recognizing the potential economic impact such a rally could have, he began sharing his vision with the President of the Fayetteville Chamber of Commerce and the owner of Jose's Mexican Restaurant. They toyed with the idea for about six years. During that time, Jose's began hosting a Bike Night to determine public and biker interest. Bike Night at Jose's was so successful, the three presented the rally proposal to the Chamber.

Bikes, Blues and BBQ, a motorcycle rally with a purpose, is an annual family-friendly event, where everyone is welcome. There are many activities that the whole family can enjoy including live music, a vintage motorcycle show, a huge car show, lawn mower pulls, and fireworks.

While naturally boosting the local

economy, the profits from the event are donated to local charities. Since its inception in 2000, Bikes, Blues & BBQ has donated more than \$600,000 to many local charities.

The rally also hosts poker runs dedicated to charity while showcasing the splendor of the Ozark Mountains. Fayetteville Firefighters lead two poker runs. The Eureka Springs Run is on Friday and the Oklahoma Run is on Saturday. The proceeds generated benefit Camp Sunshine, a summer camp facility for children who are burn victims.

Have a great time and ride safe!

Lora Turner

Exploring Oklahoma with Two Tone

The Blue Ridge Parkway doesn't quite reach the sooner state, but if you find yourself on the ridge east of Tahlequah and north of highway 100 on Welling road you'd swear it does.

I had this particular Jewel in mind before we left T-Town and we started our ride down Highway 10 from the town of Kansas. "Been there done that" you might be saying to yourself; however, you may not know where this little Jewel is. Headed South on 10 all the way past the commercial floats to highway 62 you'll need to go east about a mile and go south on *Welling Road*. This jewel of a road is the epitome of a Bikers road (I counted 8 vehicles in 14 miles) and at times the turns nearly rival the tail of the Dragon.

You will find yourself crossing the Baron Fork Creek and the Illinois River. Below the first bridge is a great spot to cool off and wet your feet or take a swim; the locals know this spot and at times it is teeming with excitement. After you take your swim break (or not) continue south, and find yourself at highway 100 east of Tahlequah.

If you can find it, you'll know why I chose to share this Jewel. So pack your swim trunks and a picnic this summer before you miss out.

Happy trails and smile somebody loves you!

Echoes
of our brothers and sisters
of our brothers and sisters
of our brothers and sisters

“WHAT IS WRONG WITH YOU?!”

Have you ever wanted to ask someone that? Have you ever looked at someone and seen what they were doing and wanted to shout; “WHAT IS WRONG WITH YOU?!” Well if you are anything like me then the answer is probably a very loud and resounding yes. But what is the reason behind that question? Better yet, what is the reason behind their behavior?

Galatians 6:2 says; “Bear one another’s burdens, and in this way you will fulfill the law of Christ.”

Many years ago I had a big problem — I enjoyed alcohol. After a while I enjoyed it on a daily basis. I enjoyed it so much that I started to become irritable when I didn’t have it. A little further on I would become angry and eventually just plain mean. I lashed out at people. I put them down. I started to retreat from anywhere that I felt I had to be accountable for my behavior because I felt the judging eyes of everyone on me.

I had a problem with everyone because I thought everyone had a problem with me. They did not. I thought everyone saw in me the same thing I saw in myself, worthlessness. They did not. But the problem was I knew the things I had done in my life and I knew the things I was still doing and I felt everyone could see that as well. They could not. All people could see was that I was self-destructing and more than once I heard “WHAT IS WRONG WITH YOU?!” It wasn’t until I was asked the exact same question in a much different way that something new happened.

A few years ago my wonderful, gift-from-God wife asked me; “what is wrong?” and “how can I help you?” I was confused by the question. After a while, with help, I could answer. The “wrong” in my life were things I was haunted by from many years past that I had not gotten over. I did not realize they had such an effect on me that I became a shadow of the person God had made me to be. That is until Shelly asked me what was wrong and how could she help.

So many people are fighting inside battles that you know nothing about. These people need someone to stop saying “WHAT IS WRONG WITH YOU?!” and simply say; “*what is wrong?*” and “*how can I help you?*” That is when we fulfill the law of Christ - or in plain language; that is when we become Christians.

10th Annual Hot Springs Rally

This year marks the 10th Anniversary of the Hot Springs Rally, September 10-12th. The largest motorcycle rally held in central Arkansas has something for everyone.

The Hot Springs Rally will feature a parade through historic downtown Hot Springs, two poker runs, plenty of vendors, bike and non-bike games, a bike show, kid's events, biker bingo, and top-notch entertainment. .38 Special will be performing on Friday night and Travis Tritt will be performing on Saturday night.

Central Arkansas offers some of the most picturesque and diverse terrain in the country. Be sure to join one or both of the poker runs. The long run is about 130 miles and the short run is approximately 50 miles.

Be sure to arrive early Saturday night for the Closing Ceremonies. Before the concert begins, the Closing Ceremonies, will offer a salute to America's Military with the help of the Hot Springs Police and Fire Departments.

As bike rally and poker run season starts winding down, squeeze in as many adventures and memories as you can to get through the cold winter months ahead.

Real Heroes Cancer Benefit & Poker Run

(formerly Real Heroes Wear Pink)

Just about everyone knows someone affected by cancer. My heart breaks when I learn that someone has been diagnosed with cancer. My heart fills with joy when I hear someone is in remission or is cancer-free. And my heart fills with pride when I see the dedication from the motorcycle community to support the many fund-raising events to end this horrible disease.

One day a cure will be found and continued research is critical, but expensive. Have you ever wondered how you can make a difference?

Real Heroes Cancer Benefit is a non-profit organization supported by a dedicated team of volunteers who are truly making a difference. Make a

difference by showing your support; and you, too, can be a Real Hero!

The 5th Annual Real Heroes Cancer Benefit will be held September 12th. Poker Run sign ups begin at 10:00 am at Four Aces. Bring an unwrapped toy to get your Bonus Hand. Cimarron Bar will be your final stop to party. Cimarron will be hosting live bands starting at 2:00 pm. An auction, raffle, 50/50 tickets, t-shirts and food plates will be sold to raise money. Of course, cash donations are also appreciated. All of the money raised goes toward finding a cure for cancer.

Make plans now and mark your calendars. Be sure to "like" the Real Heroes Cancer Benefit Facebook page.

1912 Harley-Davidson *the world 103 years ago*

- The average life expectancy for men was 47 years.
- Fuel for this motorcycle was sold in local drug stores. No gas stations yet!
- Only 14% of homes had any bathtub at all.
- Only 8% of the US homes had a telephone.
- The maximum speed limit in most cities was 10 mph.
- More than 95% of all births took place at home.
- There were only 8,000 cars and only 144 miles of paved roads in all of America.
- The average US wage was 22 cents per hour.
- The average worker mad between \$200 and \$400 per year.
- Ninety percent of all doctors had no college education.
- Most women only washed their hair once a month.
- The American flag only had 45 stars.
- The population of Las Vegas, NV was only 30 people.
- Crossword puzzles, canned beer, and iced tea hadn't been invented.
- Two out of every 10 adults couldn't read or write.
- Only six percent of Americans were high school graduates.
- Marijuana, heroin, and morphine were all available over the counter.

STURGIS

I had a lot of people ask me if I was heading to Sturgis this year. My response "Not a chance in hell!" But why you ask? Well here you go.

Sturgis South Dakota, for 50 weeks of the year is a sleepy little town with a population of 6,883. A quaint little town with two exits off of I-90. The kind of little town that had it been anywhere else in the USA you most likely wouldn't even know it existed. But for two weeks out of the year (even in an average non anniversary year), Sturgis (and everything around it for miles and miles) becomes the center of the world for the motorcycling community, Mecca if you will, the one place that all motorcycle riding people want to go at least once and I guess if you ride, you should go

there one time. One trip up there will show you why I never want to go again. If you can imagine putting 1/3 of Los Angeles in a very small town you'll get a pretty good idea of what this turns into. From the long lines and never ending traffic jams on both Main St and Junction that will eat and fry your stator (that's the charging system for you non-mechanical types), to the way, way over crowded highways that roll out thru Black Hill. There are too many people with not enough experience to handle those kind of roads with that volume of traffic and even more riders with no patience to deal with the slow flow of traffic. Let's not forget the ones that are rolling along soaking in the beauty of the area and not paying attention to the road. Welcome to the commercialization of motorcycling! The biggest traffic jam/mess you'll ever see, price gouging runs wild, not enough services to accommodate the masses. It's something I never see myself doing again.

Here are some of the statistics that I found on this year's 75th Annual. Now these stats just represent the Sturgis and surrounding area. Thirteen riders killed 157 injury accidents and 194 "non injury" accidents. They don't take into consideration all the wrecks that happened on the way to and from the rally. Boy oh boy! Now add in somewhere between 800,000 and 1.2 million people (I really don't think they know how many people were there). Sure sounds like fun to me! These are just a few things that make me not want to go back.

My suggestion to anyone that would really like to go enjoy the Black Hills, try it in late May or early June or hold off until after the rally like late, late August of September. Yes, you'll still have to deal with the 4 wheelers and RV's but trust me, you'll enjoy the ride a whole lot more and the price of everything is much cheaper.

2015 Ride In Bike Show WINNER

Oklahoma Biker the Riders Ragazine is sponsoring a **Ride In Bike Show** at various motorcycle events and bike nights now through October 24th. The final recipient of one of these plaques will be awarded at the Owasso Toy Run which ends at Los Cabos in Owasso.

These awards are given randomly to whomever we believe has ridden the coolest bike to an event. Those who receive one of these awards will be asked to place their motorsickles in front of our booth at the upcoming Tulsa Chill next April 29 - May 1 at the Tulsa Fairgrounds.

You must ride your motorsickle to be eligible for this award!

IN LOVING MEMORY OF BIG DAVE

In 1922, the Shriners founded the first Shriners Hospitals for Children in Shreveport, LA. This health system has grown to 22 facilities the United States, Canada and Mexico. Through innovative pediatric specialty care, world-class research and outstanding medical education, the hospitals provide advanced care for children. Relying on the generous donations of Shriners and the general public, the Shriners Hospitals for Children provides the highest quality care without regard to a patient's ability to pay.

That is what this Poker Run was all about. And we witnessed Gordon Carlin distribute \$3500 in prize money to several participants. Several thousand dollars was raised during this run in spite of heavy rains. We had a great time...we hope you will too at next year's event!

GRATITUDE... the quality of being thankful; readiness to show appreciation for and to return kindness. Writing this "thank you" seems inadequate when my gratitude for the support the biker community has shown at my Birthday Bash Ryders Army Toy Run is greater than these two words could ever convey. I can also attest to the gratitude of the families who were recipients of your donations and support by sharing a little information with you.

One of the families we helped did not have the money to repair their air conditioning. Their child was very ill from chemotherapy and the heat made it even worse. Upon receiving the check they were able to get their air conditioning fixed and provide a more comfortable environment for their child who is fighting hard to beat cancer.

When it comes to paying bills or saving your child's life in almost every instance a parent will choose the latter. These families face exorbitant expenses, even with insurance. If they are a two parent home, one parent most often has to quit their job in order to take care of their

child. If they are a single parent they have to rely on the system to help and we all know how insufficient that is. One family was facing foreclosure on their home. When they received the check from the benefit, they were able to get caught up on their house payments and pay a month in advance.

An attendee from the toy run never imagined her child would be visiting the toy closet at the Children's Hospital at St. Francis. She texted me to thank us for having the toy run and shared how the visit to the toy closet made her son smile and made his hospital stay a little more tolerable.

The generosity continued after the toy run when 18 Wheels MA had their Back to School Ride. They not only provided school supplies to some area schools, they also provided and filled back packs with school supplies for some of the children battling cancer and their siblings. Kudos to 18 Wheels.

Thank you to everyone. May you be blessed with God's light and love!

Cheryl Briggs

"Let gratitude be the pillow upon which you kneel to say your nightly prayer. And let faith be the bridge you build to overcome evil and welcome good."

Maya Angelou

Celebrations: Rituals of Peace and Prayer.

CHERYL'S BIRTHDAY BASH / RYDER'S ARMY TOY RUN / OLD SCHOOL SMOKERS BENEFIT SMOKE-OFF

We have made an effort to thank everyone who helped make this such a successful event, but I am sure we have inadvertently missed someone. If we failed to include you, your business or organization we apologize in advance. It wasn't intentional.

We want to give a special thanks to all of the riders, and folks who participated in the parade. Your generous donation of toys helped restock the Toy Closets at both the Children's Hospital at St Francis in Tulsa, and the Children's Hospital at OU Medical Center in OKC. We also want to thank *Channel 2 Works for You*, *Channel 8 Good Day Tulsa*, and *IHeart Radio* for their help in promoting this event. Skiatook Journal you did an awesome job following up and explaining why a thousand motorcycles went down the mainstreet of Skiatook on a Sunday afternoon.

Much love and appreciation to all of you who donated your time and money to make this event a success for the families with children suffering from cancer. Cheryl and I want all of you to know we love you, and we are proud of the Oklahoma biker community!

And thank you to the *Old School Smokers* and *Wrestling for a Cause* for all of their hard work and generous contributions to this worthy cause. See ya next year!

The Janitor

THANK YOU FOR ALL OF YOUR HELP. WE TRULY APPRECIATE YOU!

The Steel Horse Rally Board of Directors presented its first donation to a local charity, The General Darby Legacy Project, on Thursday, July 9, at 2 p.m. at Old Fort Harley-Davidson in Fort Smith.

Dennis Snow, president of the Steel Horse Rally Inc. said "After an exceptionally successful inaugural event, we are honored to present our first charitable donation to the General Darby Legacy Project. This donation is from everyone who attended the first Steel Horse Rally. This first charitable donation holds an extra special significance because it honors the contributions of General Darby and the military, which the Steel Horse Rally is dedicated to, and it will also help improve the city of Fort Smith."

The Steel Horse Rally Board of Directors has already started planning the 2nd Annual Steel Horse Rally which will take place April 29 & 30, 2016. The Steel Horse Rally Inc. Board of directors will be presenting checks to three other charities in the coming weeks. Opportunities are available for businesses and individuals who want to donate, become sponsors, and volunteer as part of the 2016 Steel Horse Rally.

For more information about the Steel Horse Rally Inc., visit www.TheSteelHorseRally.com or e-mail info@TheSteelHorseRally.com
